- Provide training sessions to professionals, first responders, and other service providers throughout Tennessee including but not limited to coordination of details for training sessions, preparing and assembling training materials for participants, dynamic facilitation of training content, and survey data collection.
- Work collaboratively with team members to develop and modify training curriculum and training materials.
- Provide ongoing technical assistance to certified Safe Bar participants and sexual assault programs (virtual and in-person).
- Conduct Safe Bar site visits for capacity building purposes.
- Participate in the planning and implementation of annual Statewide Sexual Assault Training Conference.
- Meet administrative/clerical needs including but not limited to setting up meetings, correspondence with participants, developing and updating SAC training materials, and participating in team meetings as required by the grant.
- Perform other duties as assigned.

Educational and Experience Requirements:

- Bachelor's degree in social work or related field.
- 3 to 5 years of experience working in social services, community engagement, education or related field.
- Familiarity with sexual assault dynamics, trauma informed response and treatment considerations.

- Experience working with sexual assault victims/survivors and/or systems/organizations working on behalf of sexual assault victims/survivors required.
- Experience working within diverse communities required.

SAC reserves the right waive any of the above educational requirements and qualifications dependent on work experience and other qualifying factors.

Competencies:

- Ability to effectively communicate with community partners from multiple disciplines to build and maintain meaningful relationships and partnerships.
- Must be pro-active, enthusiastic, organized, and detail oriented.
- Ability to manage all aspects of a fluid project.
- Model trauma-informed approach and cultural humility related to client care and team and organizational wellness.
- Capacity to identify and respond to shifting priorities.
- Ability to be flexible and keep up with changing the scope of projects.
- Skilled at meeting facilitation, public speaking, and excellent customer service skills.
- Capability to utilize good judgement to navigate uncertainty and conflict.
- Proficient in Microsoft Office Suite (Word, Excel, and PowerPoint).
