ABOUT SAFE CITY

Thank you for considering this opportunity to make a meaningful impact in the lives of survivors and in sexual assault prevention.

Safe City 2025 will bring together hundreds of community members to spread awareness and raise crucial funds that support survivor healing. Sexual Assault Center's goal is to raise **\$130,000**, the cost to certify 130 bars in Safe Bar and cover one full year of therapy for 15 survivors

The event will feature powerful mission moments, inviting guests to interact with our initiatives, dismantle stigmas and better understand survivor support.

With your help, the healing starts here.

Our Mission

Sexual Assault Center's mission is to provide healing for children, adults, and families affected by sexual assault and to end sexual violence through counseling, education, and advocacy.

SAC'S IMPACT

In 1978, two Vanderbilt students saw a need to help victims of rape and sexual abuse. Their vision was to provide support to all survivors and to work to end sexual violence.

“This has been the worst experience of my life but you all have been the silver lining. Every has been so kind and so patient with me. If it hasn’t been for you, I’m not sure I would have even had this done. I’m so glad you exist.”
